DAY 1

La Paz on Foot: La Paz Classic City Tour - Half day

Overnight None

Start your day with a tour of the city. You'll be picked up from your hotel to explore La Paz's central neighborhood, followed by a trip to the witches' market to browse the medicinal herbs and spices alongside spiritual artifacts. Continue to the main square of La Paz, Plaza Murillo, and learn about the government buildings along its sides and the city's historical center.

From there, head south to Valle de la Luna (Moon Valley), named for its geological features. Take in the views of the Andes mountains from the Cordillera Real, then look out over the city as you ride a cable car!
